

Dear Chef Jack, Chef Scott, Candy and all of your staff,

Jeff and I would like to offer you all thanks and praise for the wonderful job you did for our daughter Brooke's December 1st wedding. When the two of us walked in the room at the Grain Exchange before they were finished setting up, it was clear to see that Candy had the whole operation running as smoothly as a well oiled machine. She did a magnificent job putting it all together, from the table settings to the ice sculpture and everything in between.

Working with Candy during this whole process was truly enjoyable and reassuring to know that every detail at the reception would be handled, letting my husband and I totally relax and enjoy every minute. She is truly a miracle worker as she made our dreams come true as well as for Brooke and Brian. To see the look on our daughter and son-in-law's faces when they entered the room for the first time was priceless. They can't stop talking about it.

When our guests came through the doors for the first time, we couldn't help but hear all the comments being made on how beautiful the room looked. It was truly magical.

We also had many favorable remarks on the food and presentation. We knew the food would be exceptional, as we found out first hand, when we sampled what you had to offer in your office, but it's always nice to get positive feedback from your guests. From the appetizers to the late night buffet, everything was incredible.

You can be rest assured that we will most definitely recommend you to everyone we know. The only thing that makes me sad is that we do not have another daughter to do this all over again for. When and if our son gets married we will definitely put in a good word. One can only hope.

Thank you, thank you, thank you,
Sincerely,

Jeff and Mary
