

Dear Chef Jack, Candy and Eric..

Please forgive the delay in thanking you for all of your efforts in planning and catering our son, Dan and Lindsey's wedding reception. The appetizers were beautiful, delicious and plentiful and every aspect of dinner was exceptional. We have received numerous compliments on the dinner as being the best they have ever had. Thank you also for the special dietary dinners you served, our guests said they were wonderful as well. Your staff that evening was very friendly and extremely accommodating. The bridal party bus arrived later than expected and the wedding party was thrilled to be greeted at curbside by your staff holding trays of appetizers for them.

Candy, thank you again for meeting us at Renaissance Place at a time that accommodated my husband's schedule. Thank you also for allowing the cake to be displayed upstairs rather than on the first floor. The cake looked spectacular on the dance floor and the color really looked lovely upstairs. It has been such a pleasure meeting and working with all of you. You have a very kind way of making the customer feel like family. From the bottom of our hearts, thank you for making Dan and Lindsey's wedding a picture perfect day to remember.

Warmest Regards,  
Dick and Sue Johannes
