

Dear Jack, Candy, and Eric,

I have been meaning to do this for weeks, please accept my apology for my tardiness!

You were fantastic! The tables looked divine, the colored napkins added that punch of color we so much wanted, the wait staff was wonderful, and the food was sublime!

Everyone was very impressed with quality and presentation of their meals, appetizers, and chocolate cup cordials. Your work was superb!

Both Candy and Eric were a delight to deal with. I love working with competent, efficient, and pleasant people!

My whole Chef Jack experience was a joy and I will be calling on you in the future when my youngest daughter gets married.

Keep up your fine work and know that you are appreciated!

Sincerely,

Heidi Baumann-Schuppel
