

Dear Candy,

Words cannot even begin to describe the superb and professional service we experienced on Saturday, January 10th, 2009.

Your amazing attention to all the details, the staff's professional and caring service, the exceptional food quality and presentation, were above my expectations. You and your staff made me personally, feel like a queen.

The continuous praises from all the guests throughout the event, will resonate in my mind forever. You (and your staff) were amazing!

Please accept my dearest heartfelt love and gratitude for creating the most magical and unforgettable day of my life.

Best wishes and much prosperity to you and everyone at Chef Jack's,

Kim Azzarello
