Dear Candy & staff,

We can't thank you enough for your superb service for Craig's & Hattie's wedding. From the very initial planning of the wedding all the way through the day of the wedding we were very impressed with your attention to detail, helpful suggestions, and overall professionalism. Your "we can do that" attitude made us feel relieved that everything would go smoothly on their special day. We were amazed with the transformation of the Great Hall at the Audubon, and extremely pleased with all the services - bar, appetizers, and especially the promptness of all the meals being served... not to mention the generous portions of the excellent food. We have received many compliments on the food - thanks to you! Thanks again for a memorable day!

Pete & Mary
