

Dear chef Jack's,

Thank you for doing such an amazing job catering our August 13, 2010 South Shore Pavilion wedding reception. It was so much more than we ever expected! The food was delicious, the staff was outstanding (especially on such a hot + humid day - we were all sweating bullets!), and everything looked beautiful. Thank you for being so willing to work with us on all of our projects. We are so unbelievably happy that we chose to work with chef Jack's - the slightly higher price was worth it. We have ZERO complaints - thank you, thank you, THANK YOU! Love, Sarah + Tyler Nichols
